## President's Letter

Dear Quilters,

I hope everyone had a great summer and is ready to begin a new year with PQG. I am excited to be your new president. I love this club. I have had tremendous support for the various committees, etc. Everyone is great about chipping in.

I hope some of you got to stop at Carnegie Arts Center in Alliance after our June meeting to view the Front Range Contemporary Quilters show. It was pretty neat.

Our Quilt Show was wonderful. Such quality quilts. The silent auction also displayed a variety of talent and great workmanship. We can all be proud. It is hard to believe our committee pulled off such a great show with the challenges they faced. If you have not previously shown the quilt or quilts that you entered in the Oregon Trail Day's Quilt Show, please bring them for show and tell at our September meeting.

We have quite a program lined up for this year. There are two classes some months. We have a variety of classes, I Hope you get signed up early

This month, you can use up some of your scraps taking Elaine's kaleidoscope class or learn some fancy stitches from Donna Freibertshauser.

Some great reasons I buy fabric: It's less expensive and more fun than therapy, it keeps without refrigeration and you don't have to cook it to enjoy it, or feed or change it, wipe its nose or walk it.

I just know we are going to have a great year together. Be Kind.

Your Pres,  
Marlene

## SEPTEMBER CLASS

### Kaleidoscope Value Workshop - September 2009 -

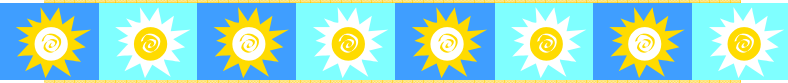

*Presented by Elaine Moore*

For confident beginner and up, comfortable with her machine. This class is based on M'Liss Rae Hawley class given at Quilt Nebraska 2008. We will spend time studying **VALUE** -- not necessarily color.

We will be making strata (WOF, various size strips, ranging from light to dark), sewing 9  $\frac{1}{2}$  in. wedges. Note: When segments are cut and sewn together, the seams on the each wedge strata will NOT match the next wedge strata. Block size is about 17 inches.

#### Materials Needed:

- ◆ Rotary cutter, long ruler (for cutting WOF), mat, sewing machine, basic sewing and pressing equipment.
- ◆ Kaleidoscope ruler - I like Margaret Doheny Kaleidoscope ruler. It **MUST** be a **45 degree ruler**, and should be 9  $\frac{1}{2}$  inches in height. Pat's Creative Stitchery will order them, or you may trace a simple template from my book or from my ruler. Other 45 degree rulers are made by Mary Sue Suit, QIAD, or Marti Mabelle, They are slightly smaller, but it's easy to enlarge the wedge.
- ◆ Plastic template material and tracing tools. Opt., if you don't have the ruler.
- ◆ Cotton fabrics - ranging from light to dark. Choose fabrics that are somewhat blendy - NOT your wild prints. FQs are not as efficient. We will blend the values in the workshop from light to dark, then cut strips of various widths. They do not need to be in the same color family - in fact, we will challenge ourselves to mix color families for

the most interesting blocks.

Great use of existing stash fabrics - avoid matchy-matchy!

- ◆ Red Plastic Report Cover - optional, I will bring mine.
- ◆ Spray Starch - optional.
- ◆  $\frac{1}{2}$  yard of 2 different backgrounds for block corners (for 9-block quilt. More for the 12 block quilt). Don't cut anything yet - you may change your mind.
- ◆ Extension Cord(s)

Your goal is pictured here, either 9 blocks (about 66 inches sq.) or 12 blocks. I did NOT blend values on the larger quilt pictured (3 blocks x 4 blocks, 62" x 78").

Each WOF strata will make ONE block of 8 wedge segments, with one left over for the 9th block. Questions: 762-9190, or [sea1mseb@bbc.net](mailto:sea1mseb@bbc.net)

Bring more fabric than you think you'll use.

- Marilyn Doheny Kaleidoscope Ruler is available at Pat's, and Prairie Pines also has one.
- Call Elaine if you have questions before the class (evenings 762-9190) or email [sea1mseb@bbc.net](mailto:sea1mseb@bbc.net)

## Programs for 2010

We are starting to line up classes/teachers for the 2010-2011 year. We know many members have quilting talents they've been itching to show-off. Something very specialized, or new ways of doing a basic technique are all skills we are looking for. This schedule will begin September 2010, and we plan on both beginning and advanced classes throughout the year. You might even want to consider "team teaching".

Don't be shy, share your knowledge.

## Annual Quilt Retreat

### Oct. 23-24, 2009

Make plans now to attend the Quilt Retreat at Trails West YMCA Camp in Scottsbluff. It will be held October 23 and 24, at a cost of \$40 per person. People may arrive anytime after 9:00 am on Friday, stay overnight, (sew as late as you want!) and sew until 5:00 pm on Saturday.

Lunch on Friday is on your own. For Friday dinner please bring a "pot luck" type food to share, and any other kinds of snacks to share for late night enjoyment. Saturday breakfast and lunch will be catered, so that we can concentrate on sewing!

We're planning some short "how-to" demonstrations, door prizes, and other activities. It's a beautiful time of year, in a creative and relaxing setting. Don't miss out on the fun. Sign up with Vonda Walter at the September meeting!

Remember to bring  
your nametag!

## IMPORTANT INFORMATION:

We are going to try something new with the program classes as we are asking everyone to BROWN BAG LUNCH. This will save time, plus everyone can help set up if needed, we can have more time for the classes.

If you don't want to make your own lunch, Submarine Sandwich is open at 7:00 a.m. here in Scottsbluff so you can pick up a sandwich & chips.

I will be at the meetings by 8:30 for sign up for classes. I'm urging everyone to sign up for classes before the meeting as afterward I will be busy getting ready for classes and hopefully eating my lunch.

Classes are to be paid at least one month before the class is held, otherwise you aren't registered and if there is room it will be opened up to non-members. Please keep track of the classes you sign up for and aren't paid as you won't get a newsletter in time for you to pay.

I hope our year goes smoothly with the programs and with these few changes that it will help speed up the process.

I am opened for suggestions so please feel free to contact me. Thanks so much.

## PANHANDLE QUILT GUILD MEMBERS

Do you know the name of the woman who sat on either side of you at the last quilt guild meeting? Can you name the woman who talked to you at the "treats" table?

Thank you for voting to add a private biography page to our website where you can see a picture of our members and read a bit about them. (This information will be viewed by members ONLY). We are attaching a form with suggestions of topics you may want to include in your biography. You can forward your biography and a picture to Dianna at [hatchdi@yahoo.com](mailto:hatchdi@yahoo.com). If you do not have a picture, we would be happy to take one. . .just ask!

In addition to this, we are going to have a guessing game called "Name the Member". Each month we will publish, in the newsletter, details about a couple of members. There will be no prizes given for this contest. However, we will publish the names of the members on the website Blog page and in Panhandle Patches.

If you do not have internet or you do not wish to use internet, please mail your biography and a picture to: Dianna M. Hatch, 401 West 16th Street, Scottsbluff NE 69361 or hand it to me at a quilt guild meeting. We are fast approaching the time we can start updating the website so we would like to start receiving these biographies right away.

We hope you like this idea and we hope you will participate.
